## Members of Hartsville City Council:

My name is Jerry Lane and about 5 years ago I entered into an agreement with the City of Hartsville to sale a strip of land to the City. This was to enable the city to keep progressing and growing in my direction going out of Hartsville. The strip of land is at 1912 West Carolina, Hartsville, S.C. Johnny Andrews was the city official that got in contact with me about Hartsville's desire and need to own this strip of land at least temporality to help them with the city's growth. Because at the time I did not want to sale land we reached a agreement that was satisfactory to both parties. The agreement stated that at the end of a 5 year period I could get the land back at no cost. I have regretfully missed the 5 year time line only because I let it skip my mind. This note is a request to the City Of Hartsville to let me exercise this option in accordance of the agreement at this time.

Sincerely, Jerry Lane
