This is to provide notification of my resignation from the Airport Advisory Committee for the city of Hartsville, SC. I have enjoyed my service on the committee over the past decade. As I am in the process of retiring and relocating, I am unable to continue to serve.

**Subject:** Planning Commission Resignation

Hi Brenda:

I am moving to Charlotte. In the last two weeks an opportunity presented itself and I took it. We are hiring a part time Director for the Hartsville Community Organization, Inc. and I have hired a person to run Excelsior in Hartsville.

Karen Miller Reichert is running with The Dog Park. I am looking at apartments in Uptown Charlotte that have access to dog parks...quite a few there. It will be a few months before I can bring Duke and Red with me...Mike is watching them and the house. He is working in the area and has to finish up things at the house to get it to market.

My time in Hartsville has mostly been ups...there were some downs but they were just all part of the thing we call life. I feel in time some of the just a few items I took issue with will smooth out as part of progress.

I will be sending personal letters etc. in the next few weeks. Email is impersonal but necessary for a quick notification.

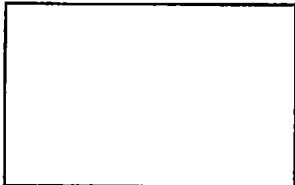

God Bless - I have enjoyed our time together.

-Diane
