

License Decals

City or Town	Cost per decal	Hangers
City of Clemson	\$0	--
City of Aiken	\$5.00/per	\$1.00/per
Town of Lexington	\$1.00	--
City of Pickens	\$0	--
City of Cayce	\$2.00	--
Town of Fort Mills	First \$0 additional \$2.00	--
City of Columbia	\$5.00/set of two	--

Many cities throughout South Carolina have adopted license decals for contractors that do “business” within the city limits. Purchasing decals to issue contractors is an inexpensive way to help code enforcement. Decals would add value to code enforcement in that it would aid other contractors and residents in identifying licensed contractors within our city. Subsequently, unlicensed contractors will come in to purchase the required business license. When contractors apply or renew their business license a decal will be issue to them at the cost of \$3.00/per decal. Decals will be numbered and assigned to each contractor’s business license. Once assigned decals will be logged into a spreadsheet for easy verification on jobsites by code enforcement officer; each year the color of the decal will change to avoid non-compliance.
