The City possesses or will possess, and the City hereby agrees to maintain and obtain in the future, all necessary licenses and permits, or rights thereto, to operate the Facilities as proposed to be operated, and all such licenses, permits or other approvals required in connection with the operation of the Facilities have been duly obtained and are in full force and effect except for any such licenses, permits or other approvals that are not yet required and that will be duly obtained not later than the time required or the failure to obtain which will not materially and adversely affect the operation of the Facilities. [END OF ARTICLE I]

ARTICLE II
INSTALLMENT SALE OF FACILITIES; USE OF 2020 REAL PROPERTY AND
FACILITIES AND TERM THEREOF

SECTION 2.1. Installment Sale of Facilities; Use of 2020 Real Property and Facilities;

Term. The Corporation hereby agrees to sell the Facilities to the City in accordance with the provisions hereof. On the date hereof, the Corporation has a valid leasehold interest in the 2020 Real Property and holds fee title to the Facilities thereon.

Upon the payment of each payment of Base Payments from funds other than amounts constituting Bond Proceeds (including income from the investment of such amounts), title to an undivided interest in the Facilities equal to that percentage of the Purchase Price represented by such payment will transfer from the Corporation to the City without further action by either party hereto.

Any prepayment of Base Payments which is used to redeem the Series 2020 Bonds will result in a recalculation of the Purchase Price to take account of such prepayment and, upon the making of such prepayment, the City shall be credited with an undivided ownership interest in the Facilities equal to that percentage of the total Purchase Price, as adjusted, represented by the total of all Base Payments made, including the prepayment on such date.

Subject to the provisions of Article VIII hereof, the City shall have the exclusive right to occupy and use the 2020 Real Property and the Facilities during the term hereof. Subject to the provisions of Sections 2.2 and 2.3 hereof, this Purchase and Use Agreement shall be for a term beginning with the date of execution and delivery hereof, and ending on [_____ 1, 20__].

During the term hereof, the City may permit use of portions of the 2020 Real Property and the Facilities subject to the following limitations: (i) the 2020 Real Property and the Facilities shall not be used in any manner that interferes with the use of such property by the City for the purposes for which it was designed or is then being used; (ii) any such agreement shall be voidable by the Trustee upon the occurrence of an Event of Default or an Event of Nonappropriation hereunder; and (iii) the City shall monitor all such use to ensure continued compliance with the provisions of the Federal Tax Certificate, if any, relating to the Series 2020 Bonds and Section 5.3 hereof.

SECTION 2.2. Termination. The term of this Purchase and Use Agreement shall terminate upon the earliest of any of the following events:

(a) The occurrence of an Event of Nonappropriation which is not thereafter duly waived or cured;

(b) The purchase by the City of all of the Facilities as provided in Article IX of this Purchase and Use Agreement;

(c) The occurrence of an Event of Default under and termination of this Purchase and Use Agreement by the Corporation or Trustee under Article VIII hereof; or

(d) The later of [_____ 1, 20__], which date constitutes the last day of the term hereof, or such date as all Installment Payments due hereunder shall be paid in full.

Termination of the term of this Purchase and Use Agreement shall terminate all obligations of the City under this Purchase and Use Agreement, including its obligations to pay future Installment Payments, and other amounts that have not been appropriated (excluding, however, amounts payable under Section 2.3 hereof and other amounts specifically provided for herein), subject to identification as provided in Section 2.4 hereof, shall terminate the City's rights of possession under this Purchase and Use Agreement of the Corporation Facilities (except to the extent of any conveyance pursuant to Article IX of this Purchase and Use Agreement); but all other provisions of this Purchase and Use Agreement, including all obligations of the Corporation with respect to the Holders of the Bonds and the receipt and disbursement of funds and all rights and remedies of the Corporation specifically provided herein, shall be continuing until the Trust Agreement is discharged as provided therein. Notwithstanding the foregoing, termination of the term of this Purchase and Use Agreement shall not impair the City's rights as landlord or the Corporation's rights as tenant under the Base Lease, except as provided in the Base Lease.

SECTION 2.3. Holdover Terms. In the event the City fails to deliver possession to the Corporation of the Corporation Facilities or any part thereof pursuant to Section 2.4 hereof, the City shall be unconditionally liable for the payment of all Installment Payments, including Additional Payments, for successive six month periods with each such period commencing on the Bond Payment Date following the last due date of Base Payments hereunder until the City delivers possession of the Corporation Facilities to the Corporation. The obligations of the City under this Section 2.3 shall not in any manner constitute a pledge of the full faith, credit or taxing power of the City within the meaning of any State constitutional or statutory provision.

SECTION 2.4. Surrender of Possession Upon Termination; Partition of Undivided Interests. Upon the occurrence of either an Event of Default or an Event of Nonappropriation which results in termination hereof, and at the written direction of the Trustee, with advice of counsel, the City and the Corporation shall proceed to partition the Facilities so that the percentage of undivided interests in the title to the Facilities will be converted, to the extent feasible, into like percentages of title in accordance with Exhibit E hereof and the following provisions. The date upon which the Trustee gives such written direction shall be the "***Partition Date***."

Division of Facilities. Within a reasonable time after the Partition Date, the Trustee, with advice of counsel, shall propose a division of the Facilities. The Trustee, with advice of counsel shall in its sole discretion select a Partition Consultant to assist, consult with and make recommendations to the Trustee in the division of the Facilities. The Trustee and the Partition Consultant shall endeavor, to the extent practicable, to allocate the Facilities between the City and the Corporation in a fair and equitable fashion and the Partition Consultant, if selected, and upon consultation with a majority in interest of the Holders, shall propose such partition as will, in the aggregate, best protect the interests of the Holders (subject to the provisions of this Section 2.4).

Valuation of Facilities. For purposes of any partition, the Facilities are valued in the respective amounts as set forth on Exhibit E hereof and the percentage of the Facilities being purchased on an annual basis are also set forth on Exhibit E hereof, each subject to adjustment as stated on Exhibit E hereof. In allocating the Facilities to the percentage of undivided interests to be conveyed to the City or retained by the Corporation, such values and percentages as set forth on Exhibit E hereof shall be used.

Partition Report: Finality. The Partition Consultant shall make a report regarding the division of the Facilities as soon as practicable after the Partition Date. The partition report shall be final and binding upon all parties.

Partial Conveyance. In the event that portions of the Facilities are assigned to the City and the Corporation, the City and the Corporation shall be tenants in common as to the Facilities for the remaining term of the Base Lease; provided, however (i) the City shall remain liable and responsible for its liabilities, expenses and obligations with respect to any third party contracts relating to such building/facility, and (ii) all revenues due the City pursuant to any such third party contracts relating to such Facilities shall be applied first to the City's liabilities, expenses and obligations related to the Facilities thereunder (including, but not limited to, maintenance, maintenance reserves, taxes and insurance), with any remainder split between the Corporation and the City in accordance with their respective ownership interest in the Facilities. Notwithstanding the foregoing, the City shall have the option within 60 days after the partition report becomes final to purchase the Corporation's interest in such building/facility for a price equal to the value of the Corporation's interest in the Facilities in accordance with Exhibit F hereof, and upon such conveyance the Corporation shall have no further interest in the Facilities. Failing the exercise of such option, the City and Corporation shall remain tenants in common as described above.

Instruments of Conveyance. Within a reasonable time (but in no event later than 60 days) after the partition report becomes final, the City and the Corporation shall exchange deeds or other instruments vesting title to such of the Facilities as is required to effect such partition; provided, however, that any conveyance deed or other instrument made by the Corporation shall be made in the manner and subject to the conditions set forth in Section 9.2 hereof. Immediately thereafter, the City shall deliver or cause to be delivered peaceable possession of the Corporation Facilities to the Corporation, together with the related portion of the 2020 Real Property, without delay, in good repair and operating condition, excepting reasonable wear and tear.

**ARTICLE III
USE AND DISBURSEMENT OF PROCEEDS**

SECTION 3.1. Issuance of Series 2020 Bonds; Effecting the Refinancing.

(a) Upon the issuance of the Series 2020 Bonds, the Trustee will deposit the proceeds of the Series 2020 Bonds into the Project Fund and the Cost of Issuance Fund, in the amounts specified in Section 5.1 of the Trust Agreement, to be used to defray the costs of the 2020 Project, effect the Refinancing, and pay the costs of issuance of the Series 2020 Bonds.

(b) The Corporation and the City acknowledge that the City will be responsible for any and all contracts and agreements necessary or appropriate for the purchase and installation, or for any construction or installation to be performed in connection with the 2020 Project and the City shall be the agent of the Corporation for all such purposes. The City may install machinery, equipment and other tangible personal property in the Facilities and on the 2020 Real Property and all such machinery, equipment and other tangible personal property not acquired or financed with the proceeds of the Bond Proceeds will remain the sole property of the City.

SECTION 3.2. Notices and Permits. The Corporation shall cooperate with the City in order to give or cause to be given all notices and shall comply or cause compliance with all laws, ordinances, municipal rules and regulations and requirements of public authorities applying to or affecting the conduct of any work relating to the 2020 Project. The City will defend and save the Corporation, the Trustee and their respective members, directors, officers, agents and employees harmless from all liabilities, damages or fines due to failure to comply therewith.

SECTION 3.3. Disbursements from the Project Fund and the Cost of Issuance Fund.

(a) As provided in Section 5.1 of the Trust Agreement, disbursements from the Cost of Issuance Fund shall be made to provide for payment of the costs of issuance of the Series 2020 Bonds, and disbursements from the Project Fund shall be made (i) to pay the redemption prices of the Outstanding Financings (as defined in the Trust Agreement), and (ii) for the costs of the 2020 Project as set forth in Section 5.3 of the Trust Agreement.

(b) As provided in Section 5.3(c) of the Trust Agreement, the final requisition from the Project Fund shall contain, among other things, a certification by the Corporation and the City stating that the 2020 Project has been substantially completed in accordance with the terms and conditions of this Purchase and Use Agreement and compliance in all material respects with all applicable governmental regulations. As used in this paragraph, “substantial completion” of the 2020 Project shall mean completion such that the equipment and improvements undertaken in connection therewith are in working condition notwithstanding the fact that certain minor items of work remain to be done.

(c) Upon the completion of the Refinancing and the 2020 Project, the Trustee shall apply any balance then remaining in the Project Fund in the manner provided in Section 5.4 of the Trust Agreement.

ARTICLE IV
INSTALLMENT PAYMENTS; ASSIGNMENT TO TRUSTEE

SECTION 4.1. Installment Payments.

(a) Installment Payments to Constitute a Current Expense of the City. The Corporation and the City understand and intend that the obligation of the City to pay Installment Payments hereunder shall constitute a current expense of the City and are dependent upon lawful appropriations of funds being made by the Council from Available Sources to pay Installment Payments due in each Fiscal Year hereunder, and shall not in any way be construed to be a debt of the City in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the City, nor shall anything contained herein constitute a pledge of the Available Sources, general tax revenues, funds, moneys or credit of the City.

(b) Payment of Base Payments. Subject to an Event of Nonappropriation as described in Section 4.7 hereof, on or before the 15th day prior to each Bond Payment Date during the period this Purchase and Use Agreement is in effect, the City shall pay to the Trustee, as assignee of the Corporation, the Base Payments (exclusively from Available Sources specifically budgeted and appropriated for such purpose in lawful money of the United States of America), which payments shall be made to the Trustee as assignee of this Purchase and Use Agreement, in the amounts set forth on Exhibit D hereto; provided, that nothing herein shall constitute a pledge of the Available Sources, general tax revenues, funds, moneys or credit of the City, and payments on account thereof, if and when received by the Trustee, shall satisfy the City's obligation to make any Base Payment then due and shall constitute such Base Payment to the extent received. Each payment of the Base Payments shall be in consideration for the conveyance of title to an undivided ownership interest in the Facilities as and to the extent provided in Section 2.1 hereof. As further consideration for the receipt of the Base Payments, the City shall be entitled to the use and occupancy of all of the 2020 Real Property and the Facilities during the applicable Fiscal Year in which such payments are or will be made.

(c) Payment of Additional Payments. The City agrees to pay, subject to the provisions of Section 4.7 hereof, the following amounts as Additional Payments together with such other sums as are provided for herein:

(i) The amounts provided for in Sections 4.2 and 4.4 hereof to the parties referred to therein;

(ii) Any amounts due upon receipt of written notice from the Trustee pursuant to Section 5.5(e) of the Trust Agreement;

(iii) Within the period of time specified in Sections 5.5(e) and 5.7(i) of the Trust Agreement, the amount of moneys necessary to re-establish a subaccount of the Reserve Account at the applicable Reserve Requirement (as such term is defined in the Trust Agreement) as may be required pursuant to said Sections 5.5(e) and 5.7(i) of the Trust Agreement;

(iv) All costs and expenses incurred or to be paid by the Corporation or the Trustee, as the case may be, under the terms of this Purchase and Use Agreement or the

Trust Agreement, including, without limitation, the amounts specified in Section 4.4 hereof and amounts payable by the Corporation pursuant to or contemplated by repurchase, forward delivery or other investment agreements which are Permitted Investments under the Trust Agreement; and

(v) Amounts required to pay premiums on insurance for the 2020 Real Property or the Facilities if such amounts are not paid directly by the City to the applicable insurer.

The Corporation may, but shall be under no obligation to, advance moneys (i) to pay taxes, assessments and other governmental charges with respect to the 2020 Real Property and the Facilities, (ii) for the discharge of mechanic's and other liens relating to the 2020 Real Property and the Facilities, (iii) to obtain and maintain insurance for the 2020 Real Property and the Facilities and pay premiums therefor, and (iv) generally, to make payments and incur expenses in the event that the City fails to do so as required by this Purchase and Use Agreement or the Base Lease. As provided in Section 6.11 of the Trust Agreement, the Trustee may take any such action. Any such advances shall continue to be due as Additional Payments hereunder.

(d) Credits. The City shall be entitled to a credit against payments of Base Payments in the amount of any deposits in the Bond Fund provided for in the Trust Agreement. In addition to the credit provided in the preceding sentence, the amount payable by the City as Base Payments will be reduced by the amount of money in the applicable subaccount of the Acquisition Account (as defined in the Trust Agreement) to be credited against those payments, including without limitation accrued interest on the Series 2020 Bonds to the extent such amounts will be used to make payments on the Series 2020 Bonds. In this connection, if applicable, when amounts remaining in a subaccount of the Reserve Account equal or exceed the remainder of the applicable Base Payments due, such amounts shall be transferred to the applicable subaccount of the Acquisition Account as and when needed for payment of such Base Payments.

(e) Continuation of Term by City. The City has no reason to believe, as of the date hereof, that it will not continue making Installment Payments through the entire term of this Purchase and Use Agreement, and reasonably believes that it will pay the Installment Payments due or coming due hereunder in order to continue to use the Facilities. The City presently intends to maintain its capacity to issue general obligation debt that does not require voter approval, in amounts and at times, together with other Available Sources, sufficient to make Base Payments when due; provided, however, that the City makes no representation or warranty as to its ability to issue general obligation debt in the future. The City shall deliver notice to the Trustee within five days of receipt of a petition conforming to Section 5-17-20 of the Code of Laws of South Carolina 1976, requesting repeal of an ordinance authorizing general obligation debt.

All representations and covenants contained in this Purchase and Use Agreement are subject to the ability of the City to terminate this Purchase and Use Agreement and all obligations hereunder as provided in Section 4.7 hereof.

SECTION 4.2. Installment Payments Not Subject to Reduction, Offset or Other Credits.

(a) The City and the Corporation intend that this Purchase and Use Agreement shall yield, net, the Base Payments specified in Section 4.1 hereof during the term of this Purchase and

Use Agreement, and that all costs, expenses, liabilities and obligations of any kind and nature whatsoever including, without limitation, any ad valorem taxes or other taxes levied against holders of real or personal property, insurance premiums, utility charges and assessments and all operation, maintenance, repair and upkeep expenses relating to the 2020 Real Property and the Facilities and the use of the 2020 Real Property and the Facilities which do not constitute Base Payments, or other obligations relating to the 2020 Real Property and the Facilities which may arise or become due during the term of this Purchase and Use Agreement and which the Corporation except for this Purchase and Use Agreement or the terms of the Base Lease would ordinarily be required to pay as owner of the 2020 Real Property and the Facilities (regardless of whether the City as owner would be so required to pay) shall either be paid under the provisions of the Base Lease or be included in the Installment Payments and paid by the City as Additional Payments under this paragraph (a). The City acknowledges that, under the provisions of the Base Lease, it has retained responsibility for the payment of taxes and insurance on the 2020 Real Property and the Facilities and the property associated therewith and the obligations of the City under the Base Lease are not subject to the limitations of Section 4.6 hereof.

(b) All payments of Additional Payments referred to in Section 4.2(a) above shall be made by the City in immediately available funds on a timely basis directly to the person or entity to which such payments are owed; provided, however, subject to the terms hereof and the other Security Documents, the City shall not be required to pay, discharge or remove any tax, lien, or assessment, or any mechanic's, laborer's or materialman's lien or encumbrance, or any other imposition or charge against the 2020 Real Property and the Facilities or any part thereof, or comply with any law, ordinance, order, rule, regulation or requirement, as long as the City shall, after prior written notice to the Corporation and the Trustee, at the City's expense, contest the same or the validity thereof in good faith, by action or inaction which shall operate to prevent (i) the collection of the tax, lien, assessment, encumbrance, imposition or charge so contested, or the enforcement of such law, ordinance, order, rule, regulation or requirement, as the case may be, and (ii) the sale of the Facilities or any part thereof to satisfy the same or to enforce such compliance; provided further, that the City shall have given reasonable security as may be demanded by the Corporation, the Trustee, or both, to insure such payment and prevent any sale or forfeiture of the Facilities or any part thereof by reason of such nonpayment or noncompliance.

SECTION 4.3. Prepayment of Installment Payments. The City may prepay Installment Payments in whole or in part as provided in, and under the conditions prescribed under, Section 9.1 hereof, or at any time that the City so determines for the purpose of providing for the redemption of Series 2020 Bonds as provided in Section 4.1 of the Trust Agreement. The City shall notify the Trustee in writing of the dates on which the Series 2020 Bonds corresponding to any prepayment hereunder are to be redeemed or purchased (as applicable) and the amount to be so redeemed or purchased on each such date, all in accordance with the provisions of the Trust Agreement. The Trustee may request such information and reports as may be necessary to establish the sufficiency of the payments to be made at the time of such prepayment or purchase, respectively.

SECTION 4.4. Administrative Expenses. Subject to the provisions of Section 4.7 hereof, the City shall pay as Additional Payments (i) the periodic fees and expenses from time to time of the Trustee and any Paying Agent incurred in administering the Trust Agreement and the Series 2020 Bonds, and (ii) any expenses, including but not limited to fees for legal, financial and accounting services and costs of directors and officers insurance incurred by the Corporation or

the Trustee to compel full and punctual performance of this Purchase and Use Agreement in accordance with the terms hereof.

SECTION 4.5. Assignment of Purchase and Use Agreement, Manner of Payment. As security for and the source of payment of the Series 2020 Bonds, pursuant to the Trust Agreement, the Corporation has assigned to the Trustee all of its right, title and interest in and to this Purchase and Use Agreement, except for the right of the Corporation to receive indemnity against claims and payment of its fees and expenses pursuant to Sections 4.2, 4.4, and 5.5 hereof and to receive notices thereunder. The City consents and agrees to the assignment of this Purchase and Use Agreement as provided herein. The City covenants to fully perform, in timely fashion, all of its covenants, agreements and obligations under this Purchase and Use Agreement, and to make all payments required by the City under this Purchase and Use Agreement (other than payment for indemnity and fees and expenses of the Corporation) directly to the Trustee, all without set-off, defense or counterclaim by reason of any dispute which the City may have with the Corporation or the Trustee.

SECTION 4.6. Limited and Special Obligation of City. Upon the occurrence of an Event of Nonappropriation, this Purchase and Use Agreement may be terminated as of the end of the last Fiscal Year which is not affected by such Event of Nonappropriation, and the City shall not be obligated to pay the Installment Payments provided for in this Purchase and Use Agreement beyond the end of such Fiscal Year (except as otherwise provided herein); provided, however, that the Trustee, acting at the direction of Bondholders, may waive an Event of Default pursuant to Section 4.7(c)(ii) hereof. If this Purchase and Use Agreement is terminated under this Section 4.6 or as provided in Section 4.7 or Section 2.2, the City agrees to peaceful delivery of that portion of the Facilities to be retained by the Corporation or its assigns as provided in Section 2.4 hereof.

The obligations of the City to make Installment Payments required under this Article IV and other sections hereof, and to perform and observe the covenants and agreements contained herein, shall be absolute and unconditional in all events, except as expressly provided under this Purchase and Use Agreement. Notwithstanding any dispute involving the City and any of the Corporation, any contractor, subcontractor, or supplier of materials or labor, or any other person, the City shall make all Installment Payments when due and shall not withhold any Installment Payments pending final resolution of such dispute, nor shall the City assert any defense or right of set-off, recoupment, or counterclaim against its obligation to make such payments required under this Purchase and Use Agreement.

The City's obligation to make Installment Payments during the term of this Purchase and Use Agreement shall not be abated through accident or unforeseen circumstances. The City agrees not to suspend, reduce, abrogate, diminish, postpone, modify, discontinue, withhold, or abate any portion of the payments required pursuant to this Purchase and Use Agreement by reason of any defects, malfunctions, breakdowns, or infirmities of the 2020 Real Property or the Facilities, failure of the Corporation to complete the acquisition, construction, installation, or equipping of the 2020 Project, failure of the City to occupy or to use the Facilities as contemplated in this Purchase and Use Agreement or otherwise, any change or delay in the time of availability of the 2020 Real Property or the Facilities, any acts or circumstances which may impair or preclude the use or possession of the 2020 Real Property or the Facilities, any defect in the title, design, operation, merchantability, fitness, or condition of the 2020 Real Property or the Facilities or in the suitability of the 2020 Real Property or the Facilities for the City's purposes or needs, failure of consideration,

the invalidity of any provision of this Purchase and Use Agreement, any acts or circumstances that may constitute an eviction or constructive eviction, destruction of or damage to the 2020 Real Property or the Facilities, the taking by eminent domain of title to or the use of all or any part of the 2020 Real Property or the Facilities, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the State or any political subdivision of either thereof or in the rules or regulations of any governmental authority, or any failure of the Corporation to perform and observe any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with this Purchase and Use Agreement.

Nothing contained in this section shall be construed to release the Corporation from the performance of any of the agreements on its part herein contained. In the event the Corporation should fail to perform any such agreement on its part, the City may institute such action against the Corporation as the City may deem necessary to compel performance so long as such action does not abrogate the City's obligations under this Purchase and Use Agreement. The City may, however, at its own cost and expense and in its own name or in the name of the Corporation, prosecute or defend any action or proceeding or take any other action involving third persons which the City deems reasonably necessary in order to secure or protect its right of possession, occupancy, and use under this Purchase and Use Agreement, and in such event the Corporation hereby agrees to cooperate fully with the City and to take all action necessary to effect the substitution of the City for the Corporation in any such action or proceeding if the City shall so request. It is the intention of the parties that the payments required by this Purchase and Use Agreement will be paid in full when due without any delay or diminution whatsoever, subject only to the special and limited nature of the City's obligation to pay Installment Payments hereunder as set forth above.

The obligations of the City under this Purchase and Use Agreement shall not constitute a pledge of the full faith, credit or taxing power of the City within the meaning of any State constitutional or statutory provision.

SECTION 4.7. Event of Nonappropriation. Upon the occurrence of an Event of Nonappropriation, the following provisions shall apply:

(a) If written notice is given by a City Representative to the Corporation and the Trustee that it will not appropriate funds from any Available Source in the next succeeding Fiscal Year for payment of Installment Payments or if an Event of Nonappropriation is otherwise deemed to have occurred, the Trustee shall as soon as practicable give written notice to the City and the Corporation stating that an Event of Nonappropriation has occurred; but any failure of the Trustee to give such written notice shall not prevent the Trustee from declaring an Event of Nonappropriation or from taking any remedial action which would otherwise be available to the Trustee.

(b) Subject to Article VIII hereof and the provisions of subsections (c) and (d) of this Section 4.7, this Purchase and Use Agreement will be terminated pursuant to Section 2.2.

(c) Subject to Article VIII hereof and the provisions of subsection (d) of this Section 4.7, the Trustee shall waive any Event of Nonappropriation if (i) such Event of Nonappropriation is cured by the City before the Waiver Period has expired, or (ii) the Trustee, acting upon the

direction of the Holders of the majority in aggregate principal amount of the Bonds then Outstanding, elects to waive such Event of Nonappropriation for any reason.

(d) Subject to Article VIII hereof and notwithstanding the provisions of subsection (c) of this Section 4.7, the Trustee shall waive any Event of Nonappropriation (but only an Event of Nonappropriation which occurs pursuant to clause (i) of the definition thereof) which is cured by (i) the City's specifically budgeting and appropriating, prior to expiration of the Waiver Period, moneys sufficient to pay Installment Payments coming due hereunder for such Fiscal Year that may be lawfully used to make such payment, or (ii) the issuance of bonds, notes or other obligations prior to the expiration of the Waiver Period, and the appropriation of the proceeds thereof, for the purpose of, and providing sufficient funds for, refunding, refinancing and discharging all Series 2020 Bonds then Outstanding.

If an Event of Nonappropriation occurs and is not waived, the City shall not be deemed to be in default under this Purchase and Use Agreement and shall not be obligated to make payment of any future Installment Payments due hereunder or any other payments provided for herein which accrue after the beginning of the Fiscal Year with respect to which there has occurred an Event of Nonappropriation; provided, the City shall continue to be liable for Installment Payments pursuant to Section 2.3 hereof.

The City, in all events, shall cooperate with the Corporation and the Trustee in making the partition required under Section 2.4 hereof and shall vacate and deliver over to the Trustee the Corporation Facilities no later than 60 days after the partition report becomes final in accordance with Section 2.4 hereof.

The Trustee shall, upon the occurrence of an Event of Nonappropriation, be entitled to all moneys then on hand and being held in all funds created under the Trust Agreement for the benefit of the Holders of the Series 2020 Bonds. After the expiration of the Fiscal Year during which an Event of Nonappropriation occurs, if such Event of Nonappropriation occurs by notice, or the July 16 following (i) the July 15 on which the City fails to specifically budget and appropriate sufficient moneys to pay the Installment Payments due hereunder, or (ii) the June 1 on which the City fails to enact an ordinance authorizing the issuance of general obligation bonds for the purpose of paying the Installment Payments due hereunder, the Trustee shall, or may, as the case may be, proceed to exercise its remedies, liquidate its interest in this Purchase and Use Agreement or lease the Corporation Facilities (after the partition and delivery thereof pursuant to Section 2.4 hereof) as provided in Section 8.2 hereof after such dates as follows: (a) on July 2 of a Fiscal Year in the event that a City Representative has provided written notice to the Corporation and the Trustee of the City's intention to not appropriate funds that may be lawfully used to pay Installment Payments due hereunder in such Fiscal Year, or (b) on July 16 of a Fiscal Year in the event that (i) the City fails by the next preceding day to specifically budget and appropriate sufficient moneys that may be lawfully used to pay Installment Payments due hereunder in such Fiscal Year, or (ii) the City did not by the preceding June 1 enact an ordinance authorizing the issuance of general obligation bonds for the purpose of and in principal amount sufficient to pay Installment Payments due hereunder in such succeeding Fiscal Year. All property, funds and rights acquired by the Trustee by reason of an Event of Nonappropriation as provided herein, less any moneys due and owing to the Trustee for services performed as Trustee, shall be held by the Trustee for the benefit of the Holders of the Bonds as set forth in the Trust Agreement.

Notwithstanding anything in this Purchase and Use Agreement to the contrary, in the event that the Trustee shall receive a payment for the transfer of its interest in this Purchase and Use Agreement, or total rental payments for leasing that are, after the payment of the Corporation's expenses in connection therewith, including attorneys' and other fees and expenses of the Trustee, and all other amounts which are payable hereunder, in excess of the principal amount of the Outstanding Series 2020 Bonds at the time of the Event of Nonappropriation and the interest due and to become due thereon (with amounts so received to be credited first to such interest and then to principal), then such excess shall be paid to the City by the Trustee, its assigns or its lessee.

[END OF ARTICLE IV]

**ARTICLE V
COVENANTS OF THE CITY**

SECTION 5.1. Maintenance and Operation of 2020 Real Property and Facilities; Transfers.

(a) Subject to Sections 4.6 and 4.7 herein, the City covenants and represents that during the term of this Purchase and Use Agreement, it shall, at its own cost or expense, use and maintain the 2020 Real Property and the Facilities in a sound and economical manner, in compliance with all present and future laws and governmental regulations applicable thereto, and maintain, preserve and keep the 2020 Real Property and the Facilities in good repair, working order and condition, and that it shall from time to time make or cause to be made all necessary and proper repairs and renewals so that at all times the operation of the Facilities may be properly and advantageously conducted. This covenant shall not prevent the City from discontinuing operation of the Facilities at any time.

(b) Except as otherwise provided in this Section 5.1 and Section 2.1 hereof, prior to payment of the Series 2020 Bonds in full, the City shall not sell, transfer, lease, sublease or otherwise dispose of all or any portion of the 2020 Real Property and the Facilities, or its interests under this Purchase and Use Agreement, except to another political subdivision of the State, which assumes in writing all obligations of the City under this Purchase and Use Agreement and shall enter into no such transaction without the written consent of the Trustee.

SECTION 5.2. Liens on 2020 Real Property and the Facilities. The City shall not create, incur or suffer to exist any lien, charge or encumbrance on the 2020 Real Property or the Facilities or its rights under this Purchase and Use Agreement other than any Permitted Encumbrance.

SECTION 5.3. Representations and Covenants Regarding Tax Exempt Status of Series 2020 Bonds.

(a) Neither the Corporation nor the City shall take any action (including but not limited to any use of the Facilities) or permit any action to be taken on its behalf, or cause or permit any circumstance within its control to arise or continue, if such action or circumstance, or its expectation on the date of this Purchase and Use Agreement would cause the interest paid on the Series 2020 Bonds to be includable in the gross income of the recipients thereof for federal income tax purposes.

(b) The City covenants to the Corporation, the Trustee and the Holders of the Series 2020 Bonds that, notwithstanding any other provision of this Purchase and Use Agreement or any other instrument, it will neither make nor cause to be made any investment or other use of the proceeds of the Series 2020 Bonds or amounts on deposit in any of the funds or accounts held under the Trust Agreement or under any other document related to the Series 2020 Bonds which would cause the Series 2020 Bonds to be an “arbitrage bond” under Section 148 of the Code and the regulations thereunder, and that it will comply with the requirements of such Section and regulations throughout the term of the Series 2020 Bonds.

(c) The City shall take all actions necessary on its part to enable compliance with the rebate provisions of Section 148(f) of the Code in order to preserve the federal income tax status

of payments of interest with respect to any Series 2020 Bonds. The City shall ensure that the Corporation retains a consultant experienced in the calculation and determination of rebate payments and liability under Section 148(f) of the Code to provide the reports required under any Federal Tax Certificate.

(d) The City will accept title to the Facilities upon the discharge of the Series 2020 Bonds.

SECTION 5.4. Reports and Opinions; Inspections.

(a) The City shall deliver to the Trustee and the Corporation, within 90 days after the end of each Fiscal Year, upon which either party may conclusively rely, a certificate stating that no Event of Default under this Purchase and Use Agreement has occurred and is continuing and that the 2020 Real Property and the Facilities are being used in accordance with the terms of this Purchase and Use Agreement.

(b) The City shall permit the Corporation and the Trustee to examine, visit and inspect, at any reasonable time, the 2020 Real Property and the Facilities, and any accounts, books and records, including its receipts, disbursements, contracts, investments and any other matters relating thereto and to its financial standing, and to supply such reports and information as the Trustee may reasonably require.

SECTION 5.5. Immunity of Corporation and Trustee. In the exercise of the powers of the Corporation and the Trustee and their members, directors, officers, employees and agents under the Trust Agreement or this Purchase and Use Agreement including (without limiting the foregoing) the application of moneys and the investment of funds, neither the Corporation nor the Trustee shall be accountable to the City for any action taken or omitted with respect to the Facilities or this Purchase and Use Agreement by either of them or their members, directors, officers, employees and agents in good faith and believed by it or them to be authorized or within the discretion or rights or powers conferred under this Purchase and Use Agreement. The Corporation and the Trustee and their members, officers, employees and agents shall be protected in its or their acting upon any paper or documents believed by it or them to be genuine, and it or they may conclusively rely upon the advice of counsel and may (but need not) require further evidence of any fact or matter before taking any action. No recourse shall be had by the City for any claims based on the Trust Agreement or this Purchase and Use Agreement against any member, director, officer, employee or agent of the Corporation or the Trustee alleging personal liability on the part of such person.

SECTION 5.6. Compliance with Laws. With respect to the 2020 Real Property and the Facilities and any additions, alterations, or improvements thereto, the City will at all times comply with all applicable requirements of federal and state laws and with all applicable lawful requirements of any agency, board, or commission created under the laws of the State or of any other duly constituted public authority; provided, however, that the City shall be deemed in compliance with this Section 5.6 so long as it is contesting in good faith any such requirement by appropriate legal proceedings.

SECTION 5.7. Insurance and Condemnation Proceeds. The City shall not make any disposition nor direct the disposition of insurance or condemnation payments with respect to the

2020 Real Property or the Facilities in excess of \$250,000 without the prior written consent of the Trustee except as may be required by the terms hereof or of the other Security Documents or of any Permitted Encumbrances existing on the date hereof.

SECTION 5.8. Filing of Budget with Trustee. During the term of this Purchase and Use Agreement, the City shall file with the Trustee, within 15 days after the beginning of each Fiscal Year, a copy of the annual budget of the City for that Fiscal Year, together with a certificate of a City Representative stating that the budget provides for the payment of all amounts due under this Purchase and Use Agreement during such Fiscal Year, or not.

SECTION 5.9. Alterations of the 2020 Real Property and the Facilities; Removals. The City, in its discretion and at its expense, may remodel or make such additions, modifications and improvements to the Facilities as it may deem to be desirable; provided, that no such additions, modifications or improvements shall adversely affect the structural integrity or strength of, or materially interfere with the use and operations of, the 2020 Real Property and the Facilities.

In this connection, the City may remove any items of personal property constituting a part of the Facilities financed by a source of funds other than the proceeds of the Series 2020 Bonds, provided that such removal of the personal property shall not materially diminish the value of the Facilities or materially impair the operation thereof.

In the case of any removal as provided above or any removal of City property not constituting Facilities, the City shall repair any damage resulting from such removal.

SECTION 5.10. Continuing Disclosure. The City covenants to provide the information required by Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended (“*15c2-12*”), as an Obligated Person (as defined in 15c2-12) in compliance with the provisions of the Continuing Disclosure Undertaking attached hereto as Exhibit F (the “*Disclosure Undertaking*”), if applicable. If the City is obligated to comply with the Disclosure Undertaking pursuant to 15c2-12, then in the event of a failure by the City or any dissemination agent appointed thereby to comply with any provisions of the Disclosure Undertaking, the rights of the Holders of the Series 2020 Bonds to enforce the provisions of the Disclosure Undertaking shall be limited solely to a right, by action in mandamus or specific performance, to compel performance of the parties’ obligations under the Disclosure Undertaking.

Any failure by a party to perform in accordance with the Disclosure Undertaking shall not constitute a default on the Series 2020 Bonds or under any other document relating to the Series 2020 Bonds, and all rights and remedies shall be limited to those expressly stated in the Disclosure Undertaking.

[END OF ARTICLE V]

**ARTICLE VI
INSURANCE**

SECTION 6.1. Types of Insurance and Coverage Requirements.

(a) The City shall, commencing with the date that any items of personal property comprising the Facilities are delivered, or in the event that progress payments are to be made to the manufacturer thereof prior to the date of such delivery, commencing with the date of this Purchase and Use Agreement, and upon completion of any construction, reconstruction, renovation or remodeling incidental to the completion and installation of the Facilities, on all such improvements to the 2020 Real Property and the Facilities, maintain all-risk fire, extended coverage, vandalism, and malicious mischief insurance on the 2020 Real Property and the Facilities, with such deductible provisions as are acceptable to the Corporation. Such insurance shall name the Corporation and the Trustee as additional insureds or loss payees, as their interests may appear, be maintained for the term of this Purchase and Use Agreement and each policy shall be in an amount equal to the replacement value of the Facilities.

(b) The City shall, to the extent required by law or good business practice, maintain for the term of this Purchase and Use Agreement, general liability insurance, worker's compensation insurance, disability insurance, and any other form of insurance, covering loss resulting from injury, sickness, disability or death of employees in amounts at least equal to those carried by institutions of similar size and nature.

[(c) The City shall maintain, for the term of this Purchase and Use Agreement, general liability insurance against loss or losses from liabilities imposed by law or assumed in any written contract and arising from the death or bodily injury of persons or damage to the property of others caused by accident or occurrence (including contractual liability endorsement), with limits of not less than \$ _____ per occurrence and not less than \$ _____ in the aggregate for claims made in any one year on account of injury of any one person, and \$ _____ for property damage per occurrence with an aggregate property damage limitation of not less than \$ _____, excluding liability imposed upon the City by any applicable worker's compensation law. Such insurance shall name the Corporation and the Trustee as additional insureds or loss payees, as their interests may appear, to the extent practicable.]

(d) All policies of insurance required hereunder shall be written by the South Carolina Municipal Association's SC Insurance and Risk Financing Fund, the South Carolina Insurance Reserve Fund, or companies rated not lower than "A" by A. M. Best Company or in one of the two highest rating categories by S&P or Moody's, in each case qualified to do business in the State and each policy shall provide at least 30 days prior written notice to the Corporation and the Trustee before such policy is canceled. The City may provide any part or all of the insurance required hereby under the terms of a policy insuring other facilities or risks or any "blanket" policy. The City covenants that it will take all action, or cause the same to be taken, which may be necessary to enable recovery under the aforesaid insurance policies.

(e) All policies of insurance required hereby shall be open to inspection by the Corporation, the Trustee at all reasonable times. Certificates of insurance describing such policies shall be furnished by the City to the Corporation when such policies are required to be obtained by this Section 6.1 and at least ten days prior to the expiration of each of such policies. The City

shall certify that it is in compliance with the provisions hereof at or prior to the execution and delivery of this Purchase and Use Agreement. If any change shall be made in such insurance as to either amount or type of coverage, a description and notice of such change shall be furnished immediately to the Corporation and the Trustee by the City or it shall cause the same to be so furnished. In the event that the City fails to maintain any insurance as provided in this Section, the Trustee may, upon such notice to the City as is reasonable under the circumstances, procure and maintain such insurance at the expense of the City (reimbursable as provided hereinbefore), but the Trustee shall not be under an obligation to do so.

SECTION 6.2. Self-Insurance Approval. If, at the time of execution of this Purchase and Use Agreement, the City self-insures or at any time hereafter desires to self-insure to the extent permitted by law, the entry into such self-insurance program shall require the written approval of the Corporation.

[END OF ARTICLE VI]

**ARTICLE VII
DAMAGE, DESTRUCTION AND
CONDEMNATION; USE OF NET PROCEEDS**

SECTION 7.1. Damage, Destruction and Condemnation. If, during the term of this Purchase and Use Agreement, (i) the Facilities or any portion thereof shall be destroyed (in whole or in part), or be damaged by fire or other casualty, or (ii) title to, or the temporary or permanent use of, the 2020 Real Property, the Facilities or any portion thereof or the estate of the City or the Corporation in the 2020 Real Property, the Facilities or any portion thereof shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, or (iii) a material defect in construction or installation of the Facilities or any portion thereof shall become apparent, or (iv) title to or the use of all or any portion of the 2020 Real Property or the Facilities shall be lost by reason of a defect in title thereto, then the City shall be obligated, subject to the provisions of Sections 4.6 and 4.7 hereof, to continue to pay the amounts specified as Installment Payments under this Purchase and Use Agreement.

SECTION 7.2. Obligation to Repair or Replace the Facilities. The City, the Corporation and the Trustee shall cause the Net Proceeds of any insurance policies, performance bonds or condemnation awards made available by reason of any occurrence described in Section 7.1 hereof, to be deposited as provided in Sections 3.5 or 3.6 hereof, as the case may be, hereof prior to the Completion Date or, after the Completion Date, in a separate trust fund designated as the “Net Proceeds Fund” which the Trustee is hereby directed to establish in such event. All Net Proceeds so deposited shall be applied to the prompt repair, restoration, modification, improvement or replacement of the 2020 Real Property and the Facilities by the City upon receipt of requisitions by the Trustee signed by an authorized official of the City stating with respect to each payment to be made: (i) the requisition number; (ii) the name and address of the person, firm or corporation to whom payment is due; (iii) the amount to be paid; and (iv) that each obligation mentioned therein has been properly incurred, is properly payable from the Net Proceeds held in the separate trust fund and has not been the basis of any previous withdrawal and specifying in reasonable detail the nature of the obligation, accompanied by a bill or a statement of account for such obligation. In carrying out any of the provisions of this Section 7.2, the City shall have all power and authority granted under Article III of this Purchase and Use Agreement; and the Trustee shall cooperate with the City in the administration of such fund and shall not unreasonably withhold its approval of requisitions required by this Section 7.2. The balance of any such Net Proceeds remaining after such repair, restoration, modification, improvement or replacement has been completed shall be applied to any lawful and authorized purpose of the City as directed in writing by the City. Any repair, restoration, modification, improvement or replacement paid for in whole or in part out of such Net Proceeds shall be included as part of the Facilities under this Purchase and Use Agreement and the Trust Agreement.

If the Net Proceeds (plus any amounts withheld from such Net Proceeds by reason of any deductible clause) shall be insufficient to pay in full the cost of any repair, restoration, modification, improvement or replacement of the 2020 Real Property or the Facilities, the City shall be responsible for the completion of the work and the payment of any cost in excess of the amount of the Net Proceeds, subject to the availability of such moneys, if any, as shall be then appropriated and budgeted and legally available or otherwise legally available to the City and legally applicable to the completion of the 2020 Project. In this connection, the City agrees that, if

by reason of any such insufficiency of the Net Proceeds, the City shall make any payments pursuant to the provisions of this paragraph, the City shall not be entitled to any reimbursement therefor from the Trustee or the Holders of the Series 2020 Bonds, nor shall the City be entitled to any diminution of any Installment Payments payable under this Purchase and Use Agreement.

SECTION 7.3. Cooperation of the Parties. The Corporation, the City and the Trustee shall cooperate fully with each other in filing any proof of loss with respect to any insurance policy or performance bond covering the events described in Section 7.1 of this Purchase and Use Agreement, in making the Net Proceeds available in accordance with Section 7.2 hereof and in the prosecution or defense of any prospective or pending condemnation proceeding with respect to the 2020 Real Property, the Facilities or any portion thereof and in the enforcement of all warranties relating to the 2020 Real Property or the Facilities. The Corporation hereby designates the City as its agent for the purpose of making collections under such policies, such amounts to be held in trust and applied in accordance herewith. In no event shall the Corporation voluntarily settle, or consent to the settlement of, any proceeding arising out of any insurance claim, performance or payment bond claim, prospective or pending condemnation proceeding with respect to the 2020 Real Property, the Facilities or any portion thereof without the written consent of the City and the Trustee.

[END OF ARTICLE VII]

**ARTICLE VIII
DEFAULTS AND REMEDIES**

SECTION 8.1. Events of Default. Each of the following events is hereby defined as, and declared to be and shall constitute, an “Event of Default”:

(a) failure by the City to make any payment required to be made pursuant to Section 4.1(b) hereof within five days after the same is due (provided, however, that any such failure by reason of an Event of Nonappropriation shall not result in an Event of Default under this provision); or

(b) failure by the City to timely comply with the provisions of Section 2.4 hereof relating to partition and vacating of Facilities at the times required; or

(c) failure by the City to make any payment required to be made pursuant to Section 4.1(c), 4.2 or 4.4 hereof or under the provisions of the Base Lease within ten days after the same is due, except by reason of an Event of Nonappropriation; or

(d) failure by the City to observe and perform any other covenant, condition or agreement on its part to be observed or performed under this Purchase and Use Agreement for a period of 30 days after written notice specifying such failure and requesting that it be remedied is given to the City by the Trustee; or

(e) if any of the representations and warranties of the City hereunder shall prove to be false or misleading in any material respect as of the date such representations and warranties were made; or

(f) the failure by the City promptly to stay or lift any execution, garnishment or attachment of such consequence as will, in the judgment of the Trustee, materially impair its ability to carry out its obligations under this Purchase and Use Agreement (provided that the City shall not be in default so long as it is diligently prosecuting a bona fide appeal from any such execution, garnishment or attachment); or

(g) if the City shall (i) apply for or consent to the appointment of a receiver, trustee, or the like of the City or of property of the City, or (ii) admit in writing the inability of the City to pay its debts generally as they become due, or (iii) make a general assignment for the benefit of creditors, or (iv) be adjudicated a bankrupt or insolvent, or (v) commence a voluntary case under the United States Bankruptcy Code or file a voluntary petition seeking reorganization, an arrangement with creditors or an order for relief or seeking to take advantage of any insolvency law or (vi) fail to controvert in a timely or appropriate manner, or acquiesce in writing to, any petition filed against it in an involuntary case under the United States Bankruptcy Code.

The foregoing provisions of this Section 8.1 are subject to the following provision: If, by reason of Force Majeure, the City shall be unable in whole or in part to carry out any agreement on its part herein contained, other than the obligations on the part of the City contained in Articles IV and VI of this Purchase and Use Agreement, the City shall not be deemed in default during the continuance of such inability. The City agrees, however, to remedy, as promptly as legally and reasonably possible, the cause or causes preventing the City from carrying out its agreement,

provided that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the City.

SECTION 8.2. Remedies. Whenever any Event of Default referred to in Section 8.1 of this Purchase and Use Agreement shall have happened and be continuing, the Corporation (with written notice promptly given to the Trustee) and the Trustee shall terminate the term of this Purchase and Use Agreement and shall give notice to the City to vacate the Corporation Facilities no later than 60 days after the partition report becomes final in accordance with Section 2.4 hereof. Whenever an Event of Nonappropriation shall be deemed to occur, the term of this Purchase and Use Agreement shall terminate pursuant to Section 2.2(a) and the City shall vacate and deliver over to the Trustee possession of the Corporation Facilities by the time specified in the third paragraph of Section 4.7(d) hereof.

Subject to the terms of the Base Lease, the Trustee may also (i) take whatever action at law or in equity which may appear necessary or desirable to enforce its rights in and to the Facilities under this Purchase and Use Agreement or any of the other Security Documents, subject, however, to the limitations set forth herein, and (ii) exercise all the rights and remedies of a secured party under the South Carolina Uniform Commercial Code with respect to any security interests subject thereto.

In addition, the Trustee shall, at the direction of the Holders of the majority in aggregate principal amount of the Bonds then Outstanding, without any further demand or notice, and subject to the terms of the Base Lease, take one or both of the following additional remedial steps:

- (i) The Trustee may liquidate its interest in this Purchase and Use Agreement or sell or assign its interest in the Base Lease; or
- (ii) The Trustee may relet or assign its rights to the Corporation Facilities under such terms and conditions as it deems appropriate for the benefit of the Holders of the Bonds.

Notwithstanding anything in this Purchase and Use Agreement to the contrary, (1) in the event of a termination of the City's interest in any portion of the Facilities and subsequent thereto the Trustee shall receive a payment for the transfer of its interest in this Purchase and Use Agreement or total rental payments for leasing that are, after the payment of the Corporation's expenses in connection therewith, including fees and expenses of the Trustee, in excess of the principal amount of the Bonds Outstanding at the time of the Event of Default or Event of Nonappropriation and the interest due and to become due thereon (with amounts so received to be credited first to such interest and then to principal), then such excess shall be paid to the City by the Trustee, its assigns or its lessee and (2) the Trustee shall not be permitted to sell, lease or otherwise dispose of any interest in the Corporation Facilities following an Event of Nonappropriation until the Waiver Period has expired, unless such action is expressly subject to the rights of the Corporation, Trustee or the City, as the case may be, to waive such Event of Nonappropriation.

SECTION 8.3. Limitations on Remedies. A judgment requiring a payment of money may be entered against the City by reason of an Event of Default or Event of Nonappropriation only as to the City's liabilities described in Section 10.1 of this Purchase and Use Agreement.

SECTION 8.4. Cumulative Rights. No remedy conferred upon or reserved to the Corporation or the Trustee by this Purchase and Use Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Purchase and Use Agreement or now or hereafter existing at law or in equity or by statute. No waiver by the Corporation or the Trustee of any breach by the City of any of its obligations, agreements or covenants hereunder shall be deemed a waiver of any subsequent breach, or a waiver of any other obligation, agreement or covenant, and no delay or failure by the Corporation or the Trustee to exercise any right or power shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised by the Corporation or the Trustee from time to time and as often as may be deemed expedient.

SECTION 8.5. Discontinuance of Proceedings. In case the Corporation or the Trustee shall have proceeded to enforce any right under this Purchase and Use Agreement and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Corporation or the Trustee, then and in every such case the City, the Corporation and the Trustee shall be restored respectively to their several positions and rights hereunder and all rights, remedies and powers of the City, the Corporation and the Trustee shall continue as though no such proceeding had been taken.

[END OF ARTICLE VIII]

**ARTICLE IX
CONVEYANCE OF THE FACILITIES**

SECTION 9.1. Optional Purchase of the Facilities. (a) Purchase in Full. The City is hereby granted the option to terminate this Purchase and Use Agreement and to purchase the Corporation's interest in the Facilities not theretofore acquired by the City at any time upon payment by the City of the then applicable Purchase Option Price; provided, however, that no such termination shall relieve the City from its obligation to pay administrative expenses as provided in Section 4.4 hereof until the Series 2020 Bonds has been fully discharged and the Trust Agreement terminated. The City shall notify the Corporation and the Trustee of its intention to exercise this option, on or before the 45th day preceding the date of such purchase, and shall provide funds for such prepayment or such other assurance thereof as may be acceptable to the Trustee. Upon the payment of the Purchase Option Price, the Corporation shall transfer and convey all its remaining interest in the Facilities to the City in the manner provided in Section 9.2 hereof.

(b) Partial Prepayment of Installment Payments and Purchase. The City is also granted the option to prepay Installment Payments on the due date of any Base Payments hereunder for the purpose of having such prepayments credited towards the purchase price of the Facilities. The City shall notify the Corporation and the Trustee of its intention to exercise this option, on or before the 45th day preceding the date of such prepayment, and shall provide funds for such prepayment or such other assurance thereof as may be acceptable to the Trustee.

SECTION 9.2. Manner of Conveyance. (a) Complete Conveyance. At the closing of any purchase or other conveyance of all of the Facilities pursuant to Section 9.1 of this Purchase and Use Agreement, or at the conclusion of the term hereof by the payment of all amounts due hereunder, the Corporation and the Trustee shall execute and deliver to the City all necessary documents assigning, transferring and conveying all interest to the Facilities by an instrument terminating the Base Lease and this Purchase and Use Agreement and quit claim or special warranty deed, as the case may be, in the form as mutually agreed to by the Trustee, the Corporation and the City, subject to the following:

(i) Permitted Encumbrances, other than this Purchase and Use Agreement and the Trust Agreement;

(ii) all liens, encumbrances and restrictions created or suffered to exist by the Corporation and the Trustee as required or permitted by this Purchase and Use Agreement or the Trust Agreement or arising as a result of any action taken or permitted to be taken by the Corporation or the Trustee as required or permitted by this Purchase and Use Agreement or the Trust Agreement; and

(iii) any lien or encumbrance created by action or inaction of or consented to by the City.

(b) Partial Conveyance Resulting from Partition. Upon any conveyance under Section 2.4 hereof, the Corporation and the Trustee shall execute and deliver to the City all necessary documents assigning, transferring and conveying all interest in the City Facilities by an instrument terminating the Base Lease and this Purchase and Use Agreement with respect to the City Facilities

and quit claim or special warranty deed, as the case may be, in the form as mutually agreed to by the Trustee, the Corporation and the City, subject to the following:

(i) Permitted Encumbrances, other than this Purchase and Use Agreement and the Trust Agreement;

(ii) all liens, encumbrances and restrictions created or suffered to exist by the Corporation and the Trustee as required or permitted by this Purchase and Use Agreement or the Trust Agreement or arising as a result of any action taken or permitted to be taken by the Corporation or the Trustee as required or permitted by this Purchase and Use Agreement or the Trust Agreement; and

(iii) any lien or encumbrance created by action or inaction of or consented to by the City.

Neither the Trustee nor the Corporation shall be responsible for the recordation of any deed or other instrument for such purposes.

(c) Partial Conveyance Resulting from Prepayment. Any conveyance resulting from a partial prepayment under Section 9.1(b) hereof shall be made in the manner as all other conveyances with respect to payments on each Bond Payment Date.

[END OF ARTICLE IX]

**ARTICLE X
MISCELLANEOUS**

SECTION 10.1. Limitation of Liability of the Corporation and the City. Notwithstanding any other provision of this Purchase and Use Agreement, in the event of any default, including an Event of Default as to the City, by either the Corporation or the City hereunder or under the Trust Agreement, any liability of the Corporation or the City shall be enforceable only out of its respective interest in the Base Lease and under this Purchase and Use Agreement and the moneys to be paid by the City through the later of the end of the Fiscal Year as to which Base Payments have been appropriated for or the conclusion of any holdover term as provided in Section 2.3 hereof, and there shall be no recourse for any claim based on this Purchase and Use Agreement, the Trust Agreement or the Bonds, against any other property of the Corporation or the City or against any officer or employee, past, present or future, of the Corporation or the City or any successor body as such, either directly or through the Corporation or the City or any such successor body, under any constitutional provision, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, and the liability of the Corporation and the City shall be limited to its interests in the Base Lease and interests under this Purchase and Use Agreement and the moneys to be paid by the City hereunder through the later of the end of the Fiscal Year as to which Base Payments have been appropriated therefor or the conclusion of any holdover term as provided in Section 2.3 hereof, and the lien of any judgment shall be restricted thereto, and there shall be no other recourse by the City against the Corporation or the Corporation against the City or any of the property now or hereafter owned by it or either of them.

SECTION 10.2. Surrender of Possession Upon Termination. Except as provided in Section 8.2 hereof and the provisions of Articles VI and VII of the Trust Agreement, the Trustee shall not be permitted to further assign its interest in this Purchase and Use Agreement. Any assignment in contravention hereof shall be void.

SECTION 10.5. Severability. In case any provision of this Purchase and Use Agreement shall for any reason be held invalid, illegal or unenforceable in any respect, by any court or administrative body of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof and this Purchase and Use Agreement shall be construed as if such provision had never been contained herein.

SECTION 10.6. Amendments. The City and the Corporation may, with the prior consent of the Trustee pursuant to Section 11.1 of the Trust Agreement, but without the consent of the Holders of any Bonds, enter into any amendments hereto at any time for any of the following purposes:

All other amendments must be approved, if and to the extent required by the Trust Agreement, by the Trustee and the Holders of the Bonds.
