Re: Design/Build Services for City of Hartsville Piratesville Splash Pad Expansion

Dear Ms. Zeigler:

It is with great pleasure that we provide our response for Design/Build Services for the City of Hartsville Piratesville Splash Pad Expansion. We are very excited to be a member of an exceptionally qualified team including Architecture Unlimited, Cypress Engineering, Paddock Pools, Aquatics H2O, LLC and Whitewater West.

Each member of our team has a proven record for success in designing and building world class water parks. Additionally, our entire team is very familiar with your existing water park, proposed site and your future plans. We are immediately ready to advance and finalize your design, complete the budget and provide a guaranteed delivery schedule.

With a 95% repeat client base delivering very similar design/build projects, we are certain you will find our proven TEAM BUILD process to be that successful collaboration the City is seeking. Some of our team's proven projects include:

- » Charleston County Parks and Recreation Splash Zone Waterpark
- » Charleston County Parks and Recreation Splash Island Waterpark
- » Orangeburg Aquatic Center
- » City of New Bern Aquatic Center
- » Levine Jewish Community Center - Phase II

We are very excited at the prospect of working with you to deliver this exciting community project. Please let me know if we can provide any additional details. We look forward to meeting with you.

Sincerely,

Trident Construction

Robert D. Fairey
President
