Museum News:

- National Youth Art Month Exhibit opened with a reception on Thursday, March 5th. The reception was well received and well attended by over 56 visitors to the museum. Art exhibition included mix media, pottery, books and acrylic paintings from 29 students attending the Governor's School of Math and Science.
- Recent Donation: Carolyn Atkinson donated 5 Madame Alexander dolls, circa 1940.

Amid the COVID-19 pandemic the Hartsville Museum is closed, but Museum staff is still working and following all safety procedures set in place by HR. Separately we are working at the museum and our Collections Storage room at the Edition. During this time we are making headway on some much needed back logged work including cataloging, inventory, photographing, condition reports, and conservation. We are also exploring new creative ways to engage visitors, in April through Facebook and other platforms.
