Subject: RE: Master Fee Schedule

Good afternoon Daniel,

I hope all is well. I would like to increase the cost to rent a fully lined football field from \$300 - \$400. With the slight increase in cost of paint and the amount of time that we have to put into a football field, I believe that we are not charging enough to rent the fields to outside organizations. I believe that we should keep the other cost the same as an unpainted field cost us nothing so \$100 per day is still good with me.

Please let me know what you think.

Thanks,
Adam Bedard
