Assignment of Zoning - Hartsville Crossing Village Apartments

On August 26, 2019, the planning commission reviewed and approved the site development for the Hartsville Crossing. The annexed 50.13 +/- acres of land includes the following tax parcel numbers: 056-00-01-157, 056-00-01-158, & 056-00-01-059. Staff recommended a B-3 zoning for the three (3) properties.

After much discussion, McGee made the motion to recommend a B-3 zoning for the three properties; Second: T. McDonald; Carried: Lee, Shirley, Hancock and McGee voted in favor. Askins voted in opposition.

Engagement for Site Visit Discussion

Because of conversations related to a recent site visit, the planning commission wanted firm guidelines for future site visits. If the commissioners make a site visit as a group, it is considered a public meeting and the press must be notified.

Planned Development (PD) Discussion

Staff is aware of a potential project that may want to use the planned development standards. Staff provided the planning commission with the planned development standards for the City of Hartsville and the State guidelines. Staff explained that State law requires a mixed-use development, which consists of commercial and residential to qualify for a planned development. Several projects in the City such as Walmart and Lowe's were done as a planned development. Neither would be able to use the planned development standards today because both are single use projects.

Monthly Departmental Report: Navigator 2019

Comprehensive Plan

January - July 2019: Statistical information is still being gathered and the Natural Resources & Transportation Elements are almost complete. The Housing Element is currently being compiled. Commission members will provide updates to their elements by the end of July. At that point, Mark Stellingworth will help serve as a technical writer to further solidify the elements. Within three months or October 2019, the elements should be ready for presentation at the Planning Commission meeting and then submitted to Council for their review and approval in November 2019.

August 2019: Mark Stellingworth provided an update on the Comprehensive Plan and asked the element leaders to provide him with an outline. Mark will contact each element leader individually after September 7, 2019, to determine the key investment priorities for each. **September 2019:** Curtis Lee provided an update on the Comprehensive Plan. City staff will continue to provide statistics to support the plan. There will be a Priority Investment element meeting to be scheduled by the Planning Commission Chair.

November 2019: Curtis Lee provided an update on the Comprehensive Plan. City staff provided the commission with a draft copy of the Priority Investment element for comment and review.

Ordinance Revision

January 2019: The Planning Commission met on January 28th to review the Alta Planning & Design Ordinance suggested changes. At this meeting, no action was taken so these ordinances will be further reviewed at February's Planning Commission meeting.

February 2019: The Planning Commission did not have a quorum for the February 25th meeting.

March 2019: The Planning Commission discussed and voted to allow staff to present a creative approach to the city's Sign Regulations Ordinance revision and present the updates at the May Planning Commission meeting.

April 2019: Due to several subdivisions of lots, the ordinance revision was not placed on the agenda. It will pick back up on the May agenda.

May 2019: There Planning Commission did not have a meeting on May 27th, due to Memorial Day.

June 2019: None

July 2019: The sign ordinance was presented for review on July 29th. Staff prioritized the remaining ordinances and created a worksheet for the commission's review each month.

August 2019: Three ordinances (Sign, Temporary Pop Up Retail & Temporary Storage) were discussed. The commission asked that staff provide examples of how a few other cities addressed these and to put together a draft ordinance that incorporates best practices instead of just what the Alta Planning produced ordinance states.

September 2019: PC reviewed two of the three ordinances at their Sept. 30th meeting. The Temporary Pop Up Retail ordinance was determined by staff as redundant since other city ordinances and regulations would handle these types of retail businesses. PC made a motion to approve the Temporary Storage ordinance pending a few minor word changes. PC will continue to review the Sign ordinance at their next meeting. A suggestion was made to survey the businesses in each of the business districts to gauge how the sign ordinance may affect them.

Page 27 of 102

October 2019: The Planning Commission met on October 28th. A sign ordinance PPT was provided by staff and the next step will be to poll business in the B2-B3 districts to obtain their thoughts and to determine what types of signage may not be business friendly. The Comprehensive Plan was also discussed and the outline of each Element is being completed. In addition, the Priority Investment portion was stated by staff to be 40% complete and that a draft would be complete within a few weeks and emailed out to each commission member for review and input.

Hartsville Police Department

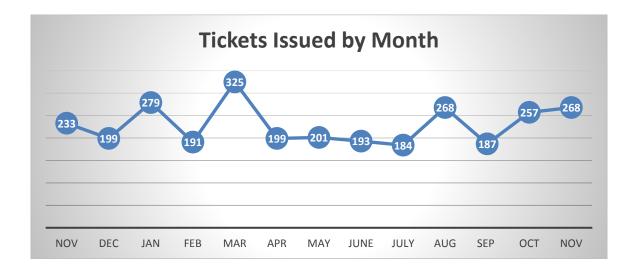

Monthly Report

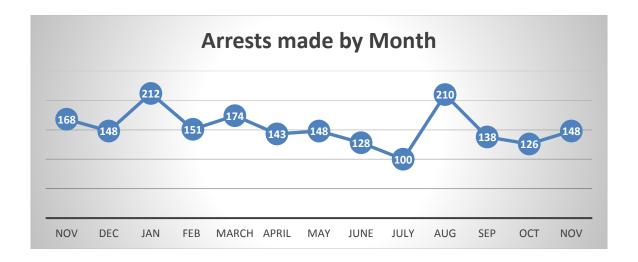

November 2019

Prepared by Mark Blair

The Hartsville Police department employs 36 sworn positions, 3 civilians, and 8 crossing guards

August 2018 showed our highest rates of ticket issuance for the previous 12 months. April through July of 2019 returned to levels seen in late fall of 2018, The past couple of months have seen marked improvement in citations issued, back to high levels as seen in Fall of 2018.

Arrests dropped off from January of 2019 until present. July showed the lowest number of arrests of the past 12 months, however there was a jump in August due in part to Operation Summer Freeze. the 45 arrests from Operation Summer Freeze, we would have been at 165 Arrests, which is closer to the average. Arrests and citations appear to be on the upswing, possible due to the addition of the traffic team and hiring to close vacancies.

Arrestees and Victims

On average, between 50-65% of arrested persons come from outside the city limits, showing that we serve many more people than our in-town population.

In November there were 148 arrests, including 10 Juveniles. The number of Juveniles will increase as the "Raise the Age" law now considers those 17 years old to be Juveniles.

Crime Types

Arrests consisted of the following: (Major categories, not inclusive of all arrests):

Shopliftings – 15 (93% from outside city)
Assaults – 10 (50% from outside city)
Robbery - 2 (100% from outside city)
Burglary - 2 (50% from outside city)
Thefts - 3 (100% from outside city)
Drug Offenses – 43 (70% from outside city)
DUI/Drunkeness- 21 (76% from outside city)
Weapons Law - 1 (0% from outside city)

Totals for all arrests (including those not listed above) 107 of 148 people arrested (72%) live outside the city limits.

Assignment of Zoning - Hartsville Crossing Village Apartments

On August 26, 2019, the planning commission reviewed and approved the site development for the Hartsville Crossing. The annexed 50.13 +/- acres of land includes the following tax parcel numbers: 056-00-01-157, 056-00-01-158, & 056-00-01-059. Staff recommended a B-3 zoning for the three (3) properties.

After much discussion, McGee made the motion to recommend a B-3 zoning for the three properties; Second: T. McDonald; Carried: Lee, Shirley, Hancock and McGee voted in favor. Askins voted in opposition.

Engagement for Site Visit Discussion

Because of conversations related to a recent site visit, the planning commission wanted firm guidelines for future site visits. If the commissioners make a site visit as a group, it is considered a public meeting and the press must be notified.

Planned Development (PD) Discussion

Staff is aware of a potential project that may want to use the planned development standards. Staff provided the planning commission with the planned development standards for the City of Hartsville and the State guidelines. Staff explained that State law requires a mixed-use development, which consists of commercial and residential to qualify for a planned development. Several projects in the City such as Walmart and Lowe's were done as a planned development. Neither would be able to use the planned development standards today because both are single use projects.

EXHIBIT A

FORM OF FIRST REFUSAL

STATE OF SOUTH CAROLINA)	
)	RIGHT OF FIRST REFUSAL CONTRACT
COUNTY OF DARLINGTON)	

This RIGHT OF FIRST REFUSAL CONTRACT (this "Contract" or "Right of First Refusal") dated January _____, 2020 is entered into by and between City of Hartsville, South Carolina, a municipal corporation of the State of South Carolina (the "City"), and Hartsville Parking, Beautification and Business Improvement Commission, a special purpose district of the State of South Carolina ("PBBIC"). For purposes of this Contract, the "Effective Date" shall be that date upon which the City and PBBIC (together, the "Parties") have fully executed this Contract with all changes initialed, as appropriate.

WITNESSETH:

In consideration of the mutual covenants and agreements herein contained, the sufficiency of which is acknowledged and agreed by the Parties, City grants to PBBIC a right of first refusal to purchase marketable and insurable fee simple title in and to those certain pieces, parcels, or lots of land together with all improvements thereon, as which are generally referenced as Tax Map Nos.: 056-10-01-042 and 056-10-01-043 which are further described as Lot 1 and Lot 2, respectively, on the survey plat attached as Exhibit A hereto (the "Property"). Exhibit A is considered a material part of this Contract.

For purposes of this First Refusal, the following defined terms shall apply:

"Appropriation Amount" mean the sum of \$24,500.1

"Bonafide Third Party" means a reasonable purchaser that makes a reasonable offer to purchase the Property based upon a qualified appraisal or other form of valuation.

"Offered Price" means the price offered by a Bonafide Third Party.

This Right of First Refusal will be of no effect unless the City unilaterally determines to dispose of the Property. Any rights and agreements under this Contract shall only arise and be effective at the time that the City makes a decision to dispose of the Property. In that event, the City grants PBBIC the right of first refusal to purchase the Property at the Offered Price, less the Appropriation Amount (the "**PBBIC Price**").

Upon receipt of any offer from a Bona Third Party, the City shall give PBBIC reasonable written notice, together with a copy of the offer, as follows:

Hartsville Parking, Beautification and Business Improvement Commission Attn: Carol Ann Godwin, Chair – PO Drawer 2497, Hartsville, SC 29551

¹ The amount the Commission originally appropriated to the City to offset a portion of the purchase price of the Property.

PBBIC shall have thirty (30) business days after the receipt of the notice provided above to determine whether to exercise its rights under this Contract to purchase the Property. If PBBIC elects to exercise its rights hereunder, PBBIC shall purchase the Property from the City for the PBBIC Price and on the terms contained in the offer from the Bonafide Third Party or as may otherwise be agreed in writing with the City. If PBBIC fails to respond in the time limit set out above, elects not to purchase the Property under the terms of the offer from the Bonafide Third Party or fails to timely close (within 60 days of the exercise of its purchase option hereunder or as may otherwise agreed by the Parties), the City shall be at liberty to sell and convey the Property in its discretion.

Upon the closing of the Property with the Bonafide Third Party and the receipt of sales proceeds for the Property by the City, the City, within 5 days of closing, shall remit the sum equal to the lesser of (i) the Appropriation Amount, or (ii) the purchase price of the Property to PBBIC (the "**Redemption Amount**"); thereafter and upon receipt of the Redemption Amount, all PBBIC's rights under this Agreement shall terminate.

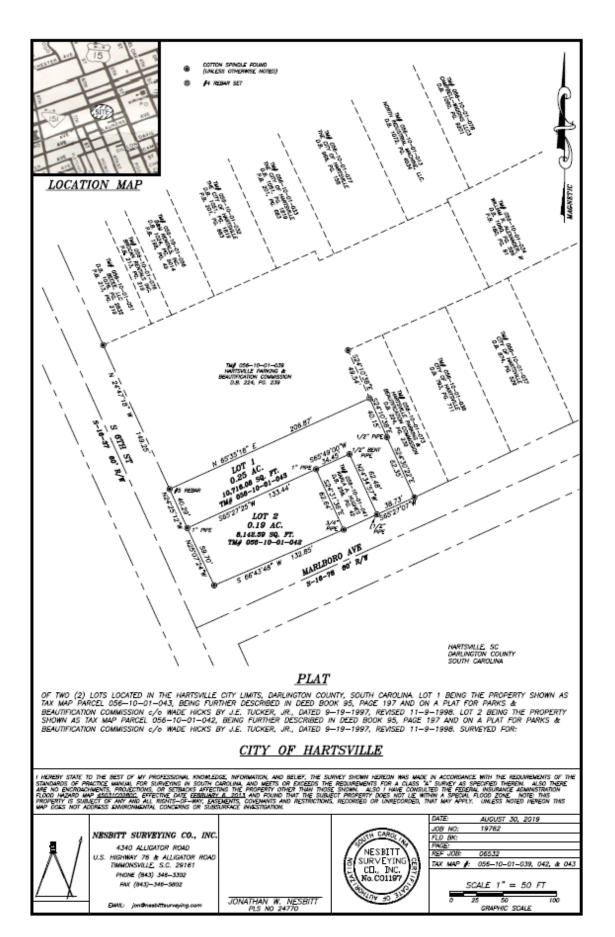

This Right of First Refusal shall expire {twenty (20) years} from the Effective Date and the provisions hereof shall be null and void.
