## Monthly Report

April 2018

Prepared by Mark Blair

The Hartsville Police department employs 35 sworn positions, 3 civilians, and 8 crossing guards

December showed an improvement over the previous December by 42 citations, but there was a drop in January by 11 citations. January and February showed a slump in Citations, as is usual for Winter, however March and April seem to be back with a vengeance.

Arrests on average are around 165 persons per month from September to January. Arrests have been spiking and dropping with events and arrests with multiple charges on single persons, however the average remains about 165. March had a huge spike in arrests, due in large part to Operation Spring Freeze, which netted an unprecedented 99 drug arrests, two-thirds being defendants from outside the City Limits. April showed a slight drop, but still higher than average due to ongoing drug arrests, with a large percentage of offenders being from outside the City limits.

## Arrestees and Victims

On average, between 50-65% of arrested persons come from outside the city limits, showing that we serve many more people than our in-town population.

In April, there were 202 arrests, including 16 Juveniles.
