Mrs. Sherron Skipper
City Clerk
City of Hartsville
Hartsville, SC 29550

Dear Sherron,

It is with a sad heart that I must resign my position as Council Member for the City of Hartsville. My last meeting will be December 11, 2018. It has been an honor to serve my community in this position for so many years.

Johnna has accepted a position at Anderson University which will allow us to be closer to our children and grandchildren. Anderson will be our new address, but being a Hartsville native, Hartsville will always be my home.

Kindest regards,
Billy
