

Hartsville Police Department

Monthly Report

April 2019

Prepared by Mark Blair

The Hartsville Police department employs 36 sworn positions, 3 civilians, and 8 crossing guards

Spring and Summer 2018 showed a marked increase in citations, however fall and winter showed the usual slump. May showed our highest rates of ticket issuance for the previous 12 months. Hurricanes had a drastic impact on citations in September and October. Officers were involved with Hurricane preparation and flood mitigation, and wrote fewer tickets. January and March showed an increase with a February and April slump

March had a huge spike in arrests, due in large part to Operation Spring Freeze. April-June had shown a gradual drop towards average, with a large percentage of offenders being from outside the City limits. October had a marked decrease in arrests, however Arrests began returning to more of a normal level. Although November to December showed a slight decrease, there was not as much as an arrest slump as there was a citation slump. January through April has showed an overall decrease in arrests.

Arrestees and Victims

On average, between 50-65% of arrested persons come from outside the city limits, showing that we serve many more people than our in-town population.

In April there were 143 arrests, including 5 Juveniles.

Crime Types

Arrests consisted of the following: (Major categories, not inclusive of all arrests):

Shopliftings –	34	(77% from outside city)
Assaults –	8	(75% from outside city)
Burglary -	2	(50% from outside city)
Thefts -	7	(86% from outside city)
