

Hartsville Police Department

Monthly Report

September 2019

Prepared by Mark Blair

The Hartsville Police department employs 36 sworn positions, 3 civilians, and 8 crossing guards

August 2018 showed our highest rates of ticket issuance for the previous 12 months. April through July of 2019 have returned to levels seen in late fall of 2018, however there was a decent spike this August, for unknown reasons. We are down three patrol officers which may be one of the reasons for the slump, and now the SRO's are back in school.

Arrests over the past few months have slowly dropped off. July showed the lowest number of arrests of the past 12 months, however there was a jump in August due in part to Operation Summer Freeze. Otherwise, the cause of the slump is unknown, however we are down three patrol officers. Without the 45 arrests from Operation Summer Freeze, we would have been at 165 Arrests, which is closer to the average.

Arrestees and Victims

On average, between 50-65% of arrested persons come from outside the city limits, showing that we serve many more people than our in-town population.

In September there were 138 arrests, including 8 Juveniles.
