

# **Monthly Departmental Report: Navigator 2020**

## **Comprehensive Plan**

**January 2020:** Staff continues work on the Priority Investment element concerning capital improvements for the city and future projects. Statistical information is still being gathered and the Natural Resources & Transportation Elements are almost complete.

## **Ordinance Revision**

**January 2020:** Planning Commission did not meet in January. The next Planning Commission meeting is February 24, 2020.

## **Historic Butler District Neighborhood Revitalization Strategy**

The City of Hartsville will be a partner in the Historic Butler EPA Brownfield grant utilized by Butler for asbestos removal/demo. The city will contribute and partner through technical assistance provided by staff for permitting and redevelopment activities. Per Mr. Heatley, Brownfield grant announcements should be made in April 2020.

## **Great American Cleanup**

The Great American Cleanup will be hosted and is in the planning phase for spring 2020. Plans are being finalized and a date will be chosen within the next week.
