Honorable Hartsville City Council

Council Members,

Since I will not be running for re-election as Mayor, I believe my Council appointment as a Director of The Hartsville Public Development Corporation will be better served by another individual. The HPDC Board has decided to elect me in the "elected director" position on the board.

Therefore, please accept my resignation as a City Council appointed Director effective immediately and select another individual to serve on the HPDC board as the Council appointed member.

Respectfully,

A handwritten signature in blue ink, appearing to read "Carl M. Pennington, IV", is written over the printed name. The signature is fluid and cursive, with the last name "Pennington" being the most prominent part.

Carl M. (Mel) Pennington, IV
