

## RESOLUTION 08-23-03

### APPROVAL TO DESIGNATE THE CITY OF HARTSVILLE TO BE A BEE CITY USA AFFILIATE.

**WHEREAS**, the mission of BEE CITY USA is to galvanize communities to sustain pollinators, responsible for the reproduction of almost 90% of the world's flowering plant species, by providing them with healthy habitat, rich in a variety of native plants and free to nearly free of pesticides; and,

**WHEREAS**, thanks to the more than 3,600 species of native bees in the United States, along with introduced honey bees, we have very diverse dietary choices rich in fruits, nuts, and vegetables; and,

**WHEREAS**, bees and other pollinators have experienced population declines due to a combination of habitat loss, poor nutrition, pesticides (including insecticides, fungicides, and herbicides), parasites, diseases, and climate change; and,

**WHEREAS**, pollinator-friendly communities can benefit local and regional economies through healthier ecosystems, increased vegetable and fruit crop yields, and increased demand for pollinator-friendly plant materials from local growers; and,

**WHEREAS**, ideal pollinator-friendly habitat (A) Is comprised of mostly native wildflowers, grasses, vines, shrubs, and trees blooming in succession throughout the growing season to provide diverse and abundant nectar and pollen, since many wild pollinators prefer or depend on the native plants with which they co-adapted; (B) is free to nearly free of pesticides, as many pesticides can harm pollinators and/or their habitat; (C) comprises undisturbed spaces (leaf and brush piles, unmown fields or field margins, fallen trees and other dead wood) for nesting and overwintering; and (D) provides connectivity between habitat areas to support pollinator movement and resilience; and,

**WHEREAS**, Integrated Pest Management (IPM) is a long-term approach to maintaining healthy landscapes and facilities that minimizes risks to people and the environment by: identifying and removing the causes of pest problems rather than only attacking the symptoms (the pests); employing pests' natural enemies along with cultural, mechanical, and physical controls when prevention is not enough; and using pesticides only when no other method is feasible or effective; and,

**WHEREAS**, supporting pollinators fosters broad-based community engagement in environmental awareness and sustainability.

**NOW, THEREFORE**, in order to enhance understanding among local government staff and the public about the vital role that pollinators play and what each of us can do to sustain them, the City of Hartsville chooses to support and encourage healthy pollinator habitat creation and enhancement, resolving as follows:

1. The City of Hartsville Public Services Department is hereby designated as the BEE CITY USA sponsor.
2. The Streets and Grounds Manager of the Public Services Department is designated as the BEE CITY USA Liaison.
3. Facilitation of the City of Hartsville's BEE CITY USA program is assigned to the Hartsville Bee City Committee which will include the BEE CITY USA staff liaison and local volunteers.
4. The Hartsville Bee City Committee is authorized to and shall:
  - a. **Celebration:** Host at least one educational event or pollinator habitat planting or restoration each year to showcase the City of Hartsville's commitment to raising awareness of pollinator conservation and expanding pollinator health and habitat.

- b. **Publicity & Information:** Install and maintain at least one authorized BEE CITY USA street sign in a prominent location, and create and maintain a webpage on the Hartsville website which includes, at minimum a copy of this resolution and links to the national BEE CITY USA website; contact information for your BEE CITY USA Liaison and Committee; reports of the pollinator-friendly activities the community has accomplished the previous year(s); and your recommended native plant species list and integrated pest management plan (explained below).
- c. **Habitat:** Develop and implement a program to create or expand pollinator-friendly habitat on public and private land, which includes, but is not limited to, Identifying and inventorying the City of Hartsville's real property that can be enhanced with pollinator-friendly plantings; creating a recommended locally native plant list to include wildflowers, grasses, vines, shrubs, and trees and a list of local suppliers for those species; and, tracking (by square footage and/or acreage) annual area of pollinator habitat created or enhanced.
- d. **Pollinator-Friendly Pest Management:** Create and adopt an integrated pest management (IPM) plan designed to prevent pest problems, reduce pesticide use, and expand the use of non-chemical pest management methods.
- e. **Policy & Plans:** Establish a policy in the operational plan of the City of Hartsville's Comprehensive Plan to acknowledge and commit to the BEE CITY USA designation and review the operational plan and other relevant documents to consider improvements to pest management policies and practices as they relate to pollinator conservation, identify appropriate locations for pollinator-friendly plantings, and consider other appropriate measures.
- f. **Renewal:** After completing the first calendar year as a BEE CITY USA affiliate, each February, apply for renewal of the City of Hartsville's BEE CITY USA designation following the format provided by BEE CITY USA, including a report of the previous year's BEE CITY USA activities, and through the BEE CITY USA Liaison pay the \$100 annual renewal fee based on the City of Hartsville's population.

**NOW, THEREFORE BE IT RESOLVED,** by the Mayor and Council of the City of Hartsville, South Carolina to submit an application and the one-hundred-dollar (\$100) application fee for the City of Hartsville's designation as a Bee City USA.

**NOW, THEREFORE BE IT FURTHER RESOLVED,** by the Mayor and Council of the City of Hartsville that the City Manager, or designee, is authorized to execute all necessary documents for this transaction.

**NOW, THEREFORE BE IT HEREBY FINALLY RESOLVED,** in meeting duly advertised and assembled the 8th day of August 2023.

---

Casey Hancock, Mayor
